## **COMMANDING OFFICER'S COMMENTS**

March brings our second of three marked inspections for the training year. All these marked inspections go towards earning the title of Top Corps in Alberta. Uniform maintenance is key this month so please focus on all the trouble areas. All the information for cleaning the uniform is on the NLCC Captain Jackson web site so please take the time to review the information. Parents; please ensure your cadet is properly fed and hydrated prior to coming to cadets.

I would like to take this opportunity to thank the cadets for all the hard work and dedication that has been shown so far this year. Your progress is growing at a fast pace and I know by the time Annual parade comes around in June that all of you will shine.

Parents please remember not to park in designated signed parking spaces. There is overflow parking down on the lower lot behind the building.
