COMMANDING OFFICER'S COMMENTS

Welcome to the last full month of the cadet year. This month is a busy month for us as we have lots of events planned. As well as the many events we have planned; we are focusing on option classes for our Annual Inspection Display on June 9, 2018. The cadets will be able to present these classes to you on that day.

Our last official parade day is June 9th and after that we will have a few select summer activities available to those who are in town such as, Canada Day Parade, possibly marching in Stampede parade, and Sailing every Thursday night when weather permits. We will keep you updated of any changes in upcoming events.

The cadets have done an amazing job this year and as Commanding Officer; I am proud of the cadets and the officers of Captain Jackson. Thank you again parents for all your hard work and dedication with bringing your cadets to this program.
