**SEE OVER FOR COMMANDING OFFICER'S COMMENTS**

**COMMANDING OFFICER'S COMMENTS**

Our new training year is off and running. I encourage cadets to let us know if they have an interest in joining our band or learning ceremonial drill as part of the Colour party among other corps activities outside of normal training nights.

The first major cadet event is Camp Evergreen the weekend of 13 to 15 October 2017. The cost for the camp includes bussing, meals, accommodation and all activities. The weekend is physically active for the cadets and the new cadets have a chance to make new friendships. Due to the camp requiring confirmed numbers for cadets to attend for their planning, we need the forms back on the requested date and we won't be able to accommodate last minute requests to attend after the due date.

Parents and guardians need to read the parent handbook supplied to you at registration. It will answer many questions on the corps and operational activities that affect your cadet.

I can't emphasize enough how important it is for parents and guardians to participate in the volunteer fundraising activities. The few hours you spend fundraising will offset the costs of camps and various other activities that we schedule.

**NOTE TO CADETS:** All absences from Navy League require Leave. A request must be submitted to the Administration Officer/Ship's Office through our website. This is to let us know you will not be with us on certain evenings and helps earn your attendance medal at the end of the year.
