## COMMANDING OFFICER'S REMARKS

Dear Parents, Guardians, Officers, and Cadets,

We are now two months into our training year, and I want to express my gratitude to all of you for your unwavering support. Your assistance and cooperation play a pivotal role in enabling us to provide this valuable program to as many Cadets as possible.

November is a significant month as we commemorate Remembrance Day, a day to honor and remember those who made the ultimate sacrifice for peace. During this month, we will actively engage with our community to raise awareness of this important occasion. As we will be representing the Navy League in public, the deportment and conduct of our Cadets are of utmost importance. If any Cadet is unsure about how their uniform should look or correct mannerisms, I encourage you to seek guidance from our Senior Cadets. Speaking of uniforms, they will be distributed in the near future. If your Cadet wishes to represent the Navy League at their school, please fill out a uniform request form. I want to emphasize that no Cadet or Officer shall wear Navy League uniform parts outside of approved activities without my explicit consent.

Additionally, I'm pleased to announce that we will be introducing an aquatic element to our training in November, along with some exciting activities. For our upcoming swim night at the Southland Leisure Center, kindly ensure that you drop off and pick up your Cadet directly from the aquatic center, as HMCS Tecumseh will be closed.

I want to take this opportunity to acknowledge the remarkable progress our Cadets have made. Keep up the hard work and dedication, your commitment is truly commendable.

Yours Aye,

Lt(NL) K. Wicks  
Commanding Officer  
#21 NLCC Captain Jackson
