COMMANDING OFFICER'S COMMENTS

I would like to take this opportunity to welcome back cadets and officers for the 2019-2020 training year, this will be my first full year as your Commanding Officer and the first year for many of you that have just signed up for Cadets for the first time.

The Corps was active during the summer with sailing on Thursday nights in July and August.

Please read your Parent Handbook provided to you upon registration. It is a valuable tool and will often clarify questions arising regarding the basic functions and expectations of both cadets and parents from the Corps perspective. I would also like to take this opportunity to ask that all parents or guardians come to a meeting in the Wardroom (upstairs in the main building of HMCS Tecumseh. Please avoid wearing jeans, shirts with no sleeves as this is an Officers Mess and has a standard of dress that we need to abide by) on Thursday, 26 September 2019 for an opportunity to ask any questions or raise any concerns you may have regarding information contained in the Parent Handbook or the functions and expectations of the Corps in general. Please make every effort to have a representative there for your cadet. If you should have any questions or concerns please feel free to discuss them with myself or my Executive Officer SLT (NL) Mohr.

NOTE TO CADETS: Any and all absences from Navy League require Leave. Please use the Leave Request contact form on our website to request leave, please avoid leaving voice mail messages as a paper trail is the best way to make sure that the CO gets the message.

Lastly my staff and myself hope that you all have a fun and rewarding time with Captain Jackson and that you continue your adventures with the cadet program for years to come.

Yours Aye
